Mr. Stan Kesselman,
15 West 81 Street,
New York, New York 10024

Dear Stan:

At long last I am finally sending the coins that I have decided I do not wish to keep. I believe that you have already received checks covering the four coins which you had mailed me on approval which I am keeping.

I am attaching a xerox of your typed statement dated April 30th, 1967 which I have marked as to my grading of each coin and on which I have indicated the coins that are being returned to you for credit under separate cover. You may note that in some instances I have changed the grading slightly from that made at the time of selection. I feel that my grading was particularly off on the two 1876 \$2-1/2 pieces. I had them down as AU50 and EF45. I must have been pretty tired when I looked at them.

There is one coin which I would like to call to your attention for your possibly reconsidering its price. The coin to which I refer is the 1834 Quarter Eagle priced at \$300.00. I like the coin very much but feel that the price is greatly out of line, not only with the Red Book but with past auction prices. This coin comes with more than one head and in several varieties, this being Breen's II-3. I have one which I am enclosing that is not as nice as yours for which I paid \$85.00. Another that I am enclosing is of a different variety but comparable condition. I paid \$210.00 for this coin at the Stacks/Copeland-4/29/67 auction. Its edge has been damaged and consequently is not worth quite as much as your coin. Taking everything into consideration, I feel that your coin should be worth about \$250.00. Perhaps your cost is such that such a price is out of the question, but I wanted to at least call to your attention the factors that make me feel that \$300.00 is a bit dear.

The coins that I am returning are as follows:

\$20 Gold

1861-O	VF25	450	17,741 minted, not 5,000.
1892	AU50	675	About the same as I bought at auction, cleaned.
1892	AU50	675	Not as nice as one I bought at auction.
1893	EF45	55	Kept the numerical \$60 coin (I hope it's better?).
1896-S	AU50	65	Kept one.

\$10 Gold

1866	VF25	225	Bought a VF35 at auction.
------	------	-----	---------------------------

\$5 Gold

Please note that your typed statement incorrectly shows the 1854-O \$5 piece at \$80.00. My figures show \$90.00 and the total adds with \$90.00. I am keeping the coin.

1867 VF25 150 Already have a VF30 plus.
1867 VF25 150 Already have a VF30 plus.

\$3 Gold

1888 AU55 310 Already have an AU50, not quite as nice as this.

\$2-1/2 Gold

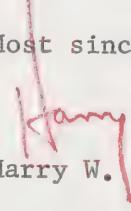

1835 EF40 75 Have two, one initialed, one an EF45.
1843-C VF20 80 Have a VF20.
1843-D VF25 80 Have a VF25 plus.
1846-D VF30 115 Have a VF35
1861 EF45 plus 50 First identified as obverse die break. Is not.
It is a slash under magnification.
1865 EF45 625 Would rather not have an Impaired Proof.
1867 EF40 160 Have an EF40 from Merkin sale.
1867 EF40 plus 240 Ditto, this is slightly nicer than mine. Hope I
haven't mixed up your two coins. Very difficult
to see \$80.00 difference between them.
1868 VF35 135 Have a VF35 at \$100.00.
1870 EF45 135 Took two, keeping one.
1876 EF45 125 Mine from Merkin sale is adequate. - My
1876 AU50 135 grading of these two was way, way high.
1877 VF35 200 Do not like the porous edge.
1879 EF45 50 Will wait for better.
1879 EF45 50 Will wait for better.
1881 VF35 500 Have as good at a better price.
1888 EF40 55 Took two, kept one.
1890 AU50 115 Have one nearly as nice.
1892 VF35 150 The price is too high.
1893 EF45 60 Have one as nice.
1895 EF40 125 Price is too high, have VF35 at \$95.

\$1 Gold

1871 EF40 135 Have one as nice.

I believe that this totals 31 coins at \$6,150.00, not counting the
three 1834 Quarter Eagles.

Most sincerely,

Your last letter very funny - are you sure you want me to bid on

Mr. Stan Kesselman,
15 West 81st Street,
New York, New York 10024

Dear Stan:

This letter will cover your letter of June 14th in which you sent 44 coins (2 of which were auction purchases by you for me), your letter of June 15th in which you sent 7 coins and your letter of June 26th in which you sent 11 coins. I am working from a multitude of notes and am dictating into a recording machine. Consequently, this letter will probably ramble and the comments will jump from subject to subject. Bear with me.

Expo - 67 was terrific. You need a trip. Flying time is one hour each way and round trip costs \$45.00. You should allow three days and get my advice before going.

Among your coins I looked at on June 12th was an 1879-CC \$20 VF 30 that you overpriced at \$225.00. I would like to take a look at it since I have another that I obtained from you.

Attached is a xerox copy of your letter of June 14th on which I have indicated those coins that I have kept as well as those coins that I am returning. In going over the coins to be returned tonight, I changed my mind and decided to keep the 1846-D \$2½.

Of the Quarter Eagles I am keeping two and owe you \$172.60.

I am keeping the \$3 Gold piece and owe you \$245.00.

Of the Half Eagles I just decided to keep the 1894-S. As we discussed, I am exchanging the 1874 \$5 at \$300.00 for the one which I previously purchased from you at \$300.00. It was a very difficult decision.

I am returning three Half Eagles and keeping ten, owing you \$1,493.00.

I am keeping all 19 Eagles, owing you \$2,162.60.

Of the Double Eagles, I am returning two and keeping six, owing you \$1,010.00. I shouldn't have kept these coins this past week for I had actually made my selection and was ready to return the coins that I did not want except for writing the letter. I just decided to keep three additional double eagles.

Of the 44 coins you sent me I am returning six, one being an exchange, and retaining 38. Attached is a check for \$5,083.20 to cover the coins purchased per your letter of June 14th.

In your letter of June 15th, copy of which is attached, you transmitted seven coins priced at \$585.00. Attached is my check to cover.

By the way, your stationery says 'Stan Kesselman', you type at the conclusion of your letters Stanley Kesselman and I can't read your signature. Which do you prefer?

Now for the eleven coins sent with your letter of June 26th. Your 1880 \$3 Gold piece is nice, however, I already have one and I am sending it to you for I would appreciate your opinion as to its condition and value. (Is it genuine?).

Of the eleven coins sent I am returning four and keeping seven, owing you \$2,270.00, which check to cover attached.

However, I have a few comments. I think the 1883 \$5 is only worth \$70.00. I want to buy the other 1874-S \$10 piece as well and would like to pay \$85.00 for each of them. I am keeping the 1877 \$10 at \$800.00 but am quite concerned about its being authentic because of being so extensively bagged marked on the reverse in the area of the mint mark. Are you purchasing this coin from a reputable person? I am keeping the 1879-CC \$10, but it is only Fine and I believe that \$850.00 would be a fair price. I am the sucker that set the new top for the 1871 Double Eagle at the Copeland Sale, and it was \$190.00, not \$180.00. It is not ethical

to use my own bad purchases as a basis for overcharging me.

In addition to your four coins which I am returning, I am enclosing my 1880 \$3 Gold piece for your examination as well as my 1892-O \$5 piece for your counsel.

I would like to look over all of your Eagles from 1838 up to the Indian Heads, if you want to send them down.

Ask Milton if he would mind letting me have one more look at that 1801 Eagle before I swap. If he doesn't mind, send it down.

Cordially,

Harry W. Bass, Jr.

Dear Stan:

Sorry to be so slow, but you have sent me too many coins. My comments on the 15 coins sent July 7th are as follows:

	<u>Price</u>	<u>Comment</u>
1854 \$1.00	\$50 AU SS	No - worth about \$30.
1845 \$2.50	\$60 VF 25	Will pay \$40.
1847 \$5.00	\$65 EF 40	Obverse edge skilfully repaired at 5 o'clock. You should more carefully examine the coins that you buy. I have a VF 30 which cost \$28.50. This coin is worth no more and I would pay that.

1850-C \$5.00	\$80 VG	Worth \$60.00 to me.
1858 \$5.00	\$115 VF 20	No, have a VF 30.

1860-S \$10.00	\$310 VG	Worth \$235.00 to me.

Dear Stan:

I am keeping 16 of the 23 coins. Attached is a check in the amount of \$1212.00 to cover.

I am paying you \$47.00 for the 1834 \$5 as I am fresh out of change. I owe you a drink.

Relative to my grading, if the 1854 \$10 is VF, how is the 1894-S \$10 Fine?

I think the 1860-O is only worth \$65.00.

Save the big words for Milton. What is an'iota'?

On that 1859-S \$10, I thought you didn't deal with mutilated coins?

Will try to return your other lot of coins, in toto, tomorrow.

Mr. Stan Kesselman,
15 West 81st Street, Re: 27 coins per letter of Aug. 22nd
New York, New York 10024

Dear Stan:

I am afraid that your higher prices are making it more and more difficult for me to screw up the courage needed to examine the coins that you send. I know before I look at them that there are a number that I would want and that the price will be more than I care to spend and by procrastinating I can forestall having to make distasteful decisions.

Of the 27 coins, I am purchasing 11, returning 14, and keeping 2 for a few more days for further checking.

My comments on the coins are as follows:

1842	\$2½	\$290	VF 20	Have EF 40/290, VF 25/260. Worth \$240 to me.
1855-C	\$2½	\$450	VF 25	Worth \$375 to me.
1840 W.C.	\$5	\$ 80	VF 25	Probably cost you \$40. Have EF 40/70, VF 20/55. Worth \$65 to me.
1864	\$5	\$200	VF 20	Have VF 35/240. No.
1866-S	\$5	\$175	Fine	Have VG/140 from NKS. Will trade plus \$35.
1890-CC	\$5	\$ 50	VF 30	No.
1890	\$5	\$240	VF 25	Yours is authentic. Have VF 25. No.

On these two 1839 Eagles, I really got a thrill. Without knowing that you had sent one of each, I first opened an envelope marked 1839 LL and found within it an 1839 SL. I really thought that I had something going for a moment until I came across the other envelope.

1839 LL	\$10	\$400	VF 20	Have EF 45. No.
1839 SL	\$10	\$450	Fine	Worth \$400 to me.

1864-S	\$10	\$425	Good	Worth \$300 to me. Where is Wolfson coin now?
1867-S	\$10	\$240	Fine	Have VG+/125. Worth \$150 to me.
1870-S	\$10	\$250	VF 25	Have VF 25/175. Worth \$200 to me.
1871-CC	\$10	\$360	VF 25	Edge repaired above last S of States. Have VF 25/290. Worth \$325 to me.
1879-CC	\$10	\$475	Fair	No.
1859	\$20	\$200		Keeping temporarily. <i>H.W.</i>
1892-CC	\$20	\$160		Keeping temporarily. <i>H.W.</i>

I am purchasing the following:

1850	\$ 5	\$ 40	VF 20	
1851-O	\$10	\$ 55	EF 45	
1853-O	\$10	\$ 65	VF 25	
1858-S	\$10	\$175	VF 35.	At that price, it had better be the finest known! \$25 too high.
1859-O	\$10	\$275	VG	
1866-S	\$10	\$260	VF 25	
1872	\$10	\$500	VF 35	
1874	\$10	\$ 40	VF 25	
1879-O	\$10	\$675	VF 35	
1882-O	\$10	\$ 75	?	
1877-CC	\$20	\$110	VF 35	

Total \$ 2,270

Enclosed is my check No. 1028 in the amount of \$2,270.00
to cover.

Re: Coins of September 27, 1967

Dear Stan:

The delay in returning your coins was partially due to the fact that double-sided scotch tape had been used to seal these and consequently they were one big sticky mess. Other than that I was just slow.

I have the following comments:

1866 \$1 I am keeping but this is an Impaired Proof, not a Business Strike.

1862-S \$5 This coin would be worth \$160.00 to me inasmuch as you have already stuck me with another one at \$200.00

1839 Small Letter \$10
I pass.

1872 \$10 For such a rare coin, they seem to be very frequent with you. Was this a Business Strike?

Attached is a check in the amount of \$1,300.00 to cover the six coins retained.

Most cordially,

Harry

Dear Irrah:

I had to use the double-sided scotch tape on someone. If Arnold Rosing was the victim he would never speak to me again. Any way it is fun and good business to keep on sticking you.

Comments on your comments:

The 1866 \$1 Gold is an impaired Proof but knowing you don't like proofs, much less Imp. ones, I did not grade it. It is beautiful still and I'm glad you liked it. The business strike usually has the word "Liberty" visible in the Reverse field.

The 1862-S \$5 is scarce and I paid \$160 for the one I charged you \$200. I would pay \$160 again for a nice VF. Anyway you have enough of them, if you want I'll put it in an auction for you to bid on. On the 1839 SL \$10 I call you up and talk you out of it. Some businessman I am.

On the 1872 Eagle, try to find another. I specialize in under-rated coins, and I don't know where to find more myself. This one is a first strike and not a proof. The edge is usually one sure way to tell.

Here is invoice on next lot that will arrive Tuesday. Have fun.

I somehow acquired from you two 1873, closed 3, \$2½ pieces, each priced at \$45.00. These do not show on any of your statements and I am frankly puzzled. Since they are priced the same, I am giving you a break and returning the nicer of the two.

1873 clsd.3	\$2½	\$45.00

Enclosed is my Trust check in the amount of \$4,245.00 to cover the above.

On close examination of the 1883-O \$10, I find that it has been badly damaged on the left wing tip as well as several of the letters. I am not particularly happy with it and would appreciate it if you would see if you could find me one in better condition.
